

FW de Klerk
FOUNDATION

FESTIVE GREETING

As you know, the FW de Klerk Foundation's first and foremost objective is to defend and promote the Constitution. On a macro level, the Constitution acts as the cornerstone for the South African society. Acting as an advocacy think tank for the Constitution and its values, the Foundation monitors public and private policy measures, to ensure that these are in line with the Constitution, and points out when they are not.

Among our instruments to achieve this - through our Centre for Constitutional Rights and Centre for Unity in Diversity - are:

- submissions to Parliament and Chapter 9 Institutions;
- statements and articles (published online and in print);
- radio and TV interviews;
- roundtable discussions;
- conferences and;
- litigation.

To be able to do the above, we are grateful for your contribution to and support of the FW de Klerk Foundation. It is appreciated, and assists us in making a difference to all South Africans.

We are looking forward to a challenging 2018, but will be able to keep making a difference in society with your loyal support.

I wish you a restful and peaceful festive season.

FW de Klerk
